*Fighting Pediatric Cancer. Funding Hope.*

Dear Blessed Sacrament School Parents,

For over twenty years, Paige's Butterfly Run, Inc. has been a critical part of Central New York's efforts to fight cancer and other blood disorders in children.

The only one of its kind in a 17-county region, the Dr. William J. Waters Center for Children's Cancer and Blood Disorders at Upstate Golisano Children's Hospital will serve **upwards of 700 children** with various malignancies and blood disorders this year, as well as conduct research for tomorrow's cures. Paige's Butterfly Run, Inc. is an integral part of this service and research as funds the organization raises each year support these initiatives.

***On Friday, October 9<sup>th</sup>, we will be holding a Pajamarama Day!  
This will be the kick-off for Friday Pajamarama Days  
on Friday October 16<sup>th</sup> & Friday October 23<sup>rd</sup>.***

***Pajamarama Day is a day where students donate \$1.00/spare change to  
dress down, wear their pajama's or yellow/gold clothing to support kids  
who are fighting pediatric cancer at  
Upstate Golisano Children's Hospital in Syracuse.***

Here are just some of the ways our Pajamarama Day and your generosity will support children and families fighting pediatric cancer in our community:

- Direct assistance for families at the Dr. William J. Waters Center for Cancer and other Blood Disorders at Upstate Golisano Children's Hospital having financial difficulties due to their child's illness, with help for treatment, wellness, and survivorship.
- Distribute Comfort Kits with toiletries, blankets, and a \$150 VISA gift card, to 60+ families upon receiving a diagnosis.
- Hundreds of \$10 meal cards and \$25 gas cards distributed to families going through treatment.
- Critical pediatric cancer research will continue to be funded at Upstate Golisano Children's Hospital.
